Interests

-  Photoshoot Planning & Styling, Travel, Dancing

Recent Fashion Design graduate from Drexel University with a strong foundation in couture techniques, pattern making, sewing, and digital design. Experienced in both studio and runway settings, with an internship in a luxury fashion house and hands-on roles in custom dress making. Having studied in the U.S., Lebanon, and London, I bring a global and multicultural approach to storytelling through design. Recognized with the **Highest Commendation in Design** for my senior collection.
